## MopMATE

Kleenco's MopMate is a pH neutral floor cleaner designed for daily or periodic cleaning of all water washable floor surfaces including, wood, stone, ceramic, laminate, vinyl, luxury vinyl, cork and similar floor surfaces.

- Concentrated (1-2 ounces per gallon) for versatility in cleaning and peak economy.
- Formulated with an effective blend of water softeners, plant based detergent boosters and a EPA safer choice listed surfactant.
- MopMate quickly dissolves and suspends soil for effective cleaning action.
- No heavy perfumes but it does have a pleasant fresh springtime scent.
- Great for use with manual mopping methods or for use with orbital cleaning machines such as Koblenz, Oreck, Prolux or the Nelli WOW Mop.
